School Internship TUM*paedagogicum*

The school internship TUM*paedagogicum* is an academic qualification included within the Bachelor of Education „Naturwissenschaftliche Bildung“ degree course (see Article 42 of the professional examination regulations). To pass the TUM*paedagogicum*, the school internship phases below must be completed. The internship TUM*paedagogicum* replaces the orientation school internship and the pedagogical didactical school internship, pursuant to the teaching degree (Lehramt) examination regulations, Article 34 para. 1, sentence 1, #2 and #3, LPO I (2008).
